

## **Best practices at Blossoms School.**

**Blossoms School offers a number of innovative features that are fully integrated into our approach to education:**

- ❖ Application of the proven Montessori method of education
- ❖ Smart classes with digital boards.
- ❖ Regular field trips and outings
- ❖ Expanding library with a variety of materials
- ❖ Transport and bus facility.
- ❖ Virtue-based activities for holistic and moral development
- ❖ Global exposure through celebration of international events
- ❖ Low student to teacher ratio
- ❖ Special camps and carnivals to aid socialization
- ❖ Remedial sessions for slow learners
- ❖ Medical camps, eye and dental check-up sessions
- ❖ Doctors available on call for emergency
- ❖ Beautiful, child friendly environment
- ❖ Modern computer lab with well-qualified instructors
- ❖ Music, dance and visual art as part of the curriculum
- ❖ Teachers regularly trained on the latest methods in education.
- ❖ Updated Pedagogy and teaching approach
- ❖ Student Exchange program with ISZL, Switzerland.

***We also have a number of ongoing special programs available for our students as well as to others in the wider community:***

- ❖ *Nursery school teachers training programme*
- ❖ Peace education programme to empower youth to transform society
- ❖ After school program to develop children's artistic and communication skills
- ❖ Parents Educational Workshop.
- ❖ Special education wing for children with learning disabilities
- ❖ Support staff work shop training programme to encourage them and make effective.
